Adil Shehzad

Student Ambassador At Amazon Web Services (AWS) | ICSI (UK) |
CNSS Certified Network Security Specialist | Python Expert
Lahore, Pakistan

Summary

I am currently a third-year computer science major at the University
of Central Punjab(UCP). Currently interning at Amazon Web
Services as a Cloud Ambassador for Pakistan over the past two
months, I have shifted my educational focus to Cyber Security,
Python Web Development, Python Data Science, Amazon Web
Service Cloud, Docker, Git, and Github. Technology requires
continuous skills updation so I am always trying to develop
more market up-to-date skills to help the international and local
community.

My Experience is started with Freelance on Fiverr, Upwork,
PeoplePerHour, FiveSquid, and on Truelancer. Currently, I have
freelancing experience of 1 year with different happy clients around
the globe.

Currently, I have achieved a milestone in Internship at amazon web
services and also doing my training as a Campus Expert for Github.
I am working as an open-source developer and I hope to find a job if
required to help my local community.

My Next Target is to become Github Campus Expert and also a part
of Microsoft Student Partner. I Also Wrote some Blogs to Help Junior
Students, currently, I am converting my website to Jekyll I will update
link soon here :)
Have a great day :)
